EXPERIENCE

SP Enterprises

Present

Automation Engineer

Ranchi, Jharkhand

- Architected an end-to-end **Invoice Management Automation System** leveraging **LangChain, AI/ML, and Python** to automate data extraction from unstructured invoices.
- Implemented intelligent workflow automation for real-time status tracking, automated payment reconciliation alerts, and dynamic analytics report generation.
- Engineered robust backend services and optimized **MongoDB/SQL** database schemas to handle high-volume invoice processing with millisecond-level query performance.

PROJECTS

AI Career Guidance Platform [[GitHub](#)] | *Next.js, Node.js, MongoDB, LangChain, AI APIs*

2025

- Built an intelligent career recommendation engine that analyzes student profiles to generate **personalized career roadmaps** based on skills and performance.
- Integrated a real-time **conversational AI chatbot** featuring persistent session memory, interactive counseling, and comprehensive user data analytics.
- Implemented secure **JWT authentication** and optimized MongoDB document schemas to ensure sub-second response times and multi-user scalability.

LeetCode Extension [[GitHub](#)] | *JavaScript, WebExtensions API, Chrome API*

2025

- Developed a browser extension enhancing the **LeetCode coding interface** with customizable utility features and real-time problem-solving aids.
- Optimized memory consumption and DOM manipulation scripts to ensure seamless background execution without impeding editor performance.

URL Shortener [[GitHub](#)] | *Node.js, Express.js, MongoDB, JavaScript*

2025

- Engineered a scalable **URL shortening microservice** utilizing Base62 encoding to generate unique, compact alias routes.
- Designed real-time click tracking analytics and rate-limiting middleware to guard against abuse and monitor link traffic performance.
- Optimized database lookup times by implementing indexed **MongoDB document models** for rapid URL redirection and reliable persistent storage.

EDUCATION

Amity University Jharkhand

2023 – 2027

Bachelor of Technology in Computer Science & Engineering (CGPA: 8.43/10)

Ranchi, Jharkhand

Motilal Nehru Public School

2020

Class XII (Science): 85% | Class X: 74.6%

Jamshedpur, Jharkhand

SKILLS

Languages : Python, JavaScript (ES6+), C, C++, Java, HTML5, CSS3, SQL

Frameworks & Tools : React.js, Next.js, Node.js, Express.js, LangChain, Tailwind CSS, MongoDB, REST APIs, Git, GitHub

ACHIEVEMENTS

- Elite Coder Hackathon Winner (2025)**: Developed a full-stack investment platform enabling women to manage portfolios using customized analytics tools.
- IEEE Paper Presentation (2025)**: Research paper accepted and presented at an IEEE international conference, contributing to peer-reviewed technical knowledge.
